ERISA BONDS: A BOND DESIGNED TO PROTECT YOUR VALUABLE EMPLOYEE BENEFIT PLANS

WHAT IS ERISA?

The Employee Retirement Income Security Act (ERISA) was enacted to protect employee benefit plans from the risk of loss due to acts of fraud or dishonesty by the plan officials.

ERISA requires every fiduciary of an employee benefit plan and every person who handles funds or other property of the plan to be bonded. The ERISA bond amount must be at least 10 percent of the plan assets.

WHAT IS COVERED BY AN ERISA BOND?

ERISA bonds ensure that people in a position of trust over retirement assets fulfill their obligations so the money employees are counting on is there when they are ready to retire. If the obligation to protect the plan money is violated by wrongful acts, the bond assures employees' rights to damages against those who handle fund assets.

ARE YOU IN COMPLIANCE?

Your agent can easily and quickly contact RLI's ERISA bond underwriters to ensure your company is in compliance with ERISA law.
